

Center for Survivors of Torture

NCCTP

**National Capacity Building
Project**

**Cross Training Between
Programs**

Center for Survivors of Torture

Financial Stability:

- Donations
- Awareness
- Training
- Database
- Consultation/Mentoring

Center for Survivors of Torture

Purpose/Rationale:

- Data collection time consuming
- Data not entered consistently in different offices
- Current staff not properly trained on system
- No staff devoted to data

Center for Survivors of Torture

Goals:

- Train staff on use of system
- Conform data between offices
- Create more efficient system
- Idea share

Center for Survivors of Torture

Implementation:

- Purchased webinars and technical support
- Changed job description for better focus
- Cross-trained with another program utilizing same system
- Training staff to enter/supply data

Center for Survivors of Torture

Mentoring/Site Visit to Other Programs:

- More efficient use of time
- Opportunities for new ideas
- Interaction with colleagues from other programs
- Similarity of issues/what works best
